

Canine/Feline Calming Extra™ Petite Soft Chews

Canine Calming Extra™ Soft Chews

(Thiamine Mononitrate, Dried Colostrum & L-Theanine)

- ▶ **An all-natural dietary supplement specifically formulated with researched ingredients to generate calm behavior in dogs and cats during times of environmental stress.**
In addition, the next generation colostrum isolates contain a unique bio-active peptide to aid in the effective management of the symptoms of nausea caused by stressors such as travel and motion sickness, anxiety or other factors.
- ▶ **Consider using Calming Extra for some of these types of stressful situations:**
 - Loud noises, such as thunderstorms, fireworks, etc.
 - Traveling to the groomer, veterinary hospital, etc.
 - Boarding, kenneling or being left alone
 - Anxiety created by unexpected house guests, new pet or baby in the household, etc.
 - Changes in the pet's daily schedule and routine
- ▶ **Quick and reliable results:**
 - **Calming behavior will be observed in about 20-30 minutes after dosing.**
 - Clinical effect will last 4-6 hours.
- ▶ **Highly palatable and uniquely shaped soft chew dosage form will simplify dosing** for pet owners.

- **Petite Soft Chews are a square shape** to entice cats to readily consume the chew and flavored with a real chicken flavor making it easier to administer the dose to cats and small dogs.
- **Soft Chews are an oblong shape** to differentiate this product from other soft chew formulas and flavored with an *artificial* roast beef and liver flavor to guarantee the pet will readily consume the product. Flavoring is actually a hydrolyzed soy protein, so **safe to use with food allergic pets.**
- Ensures complete consumption of the administered dose generating better clinical results.

(actual size)

- ▶ Recommended dosage schedule:

Body Weight	Petite Soft Chews
1-14 lbs.	½ chew
15 lbs.	1 chew
16-30 lbs.	2 chews

Body Weight	Soft Chews
15-25 lbs.	½ chew
26-50 lbs.	1 chew
51-75 lbs.	1 ½ chews
76-100 lbs.	2 chews

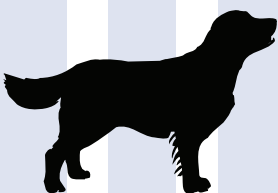

- There is no initial loading dose. Chews may be administered as needed and the dose can be increased 2-3X depending on the level of stressors.
- Active ingredients are evenly distributed throughout the chew, so accurate dosing based on body weight can be achieved.

- ▶ **100% Palatability Acceptance Guarantee.**

- Pala-Tech guarantees pets will readily consume this supplement. If your client's dog or cat does not like the taste of this product, simply contact your authorized Pala-Tech Veterinary Distributor for replacement product.

- ▶ Professionally labeled and packaged in an **easy-to-open, user-friendly plastic container.**

- Petite Soft Chews – 60 petite chews/container.
- Soft Chews – 60 chews/container.

Canine/Feline Calming Extra™ Petite Soft Chews

Canine Calming Extra™ Soft Chews

(Thiamine Mononitrate, Dried Colostrum & L-Theanine)

- All-natural supplement to calm a pet's behavior.
- Soft chew dosage form simplifies administration... give the pet a "treat."
- Help soothe the pet during stressful situations and minimize nausea.

Pala-Tech™ Calming Extra™ Petite Soft Chews contain ingredients proven to generate calm behavior and to soothe the pet during times pets are experiencing environmental stress. In addition, Calming Extra will aid in the effective management of the symptoms of nausea created by stressors such as travel or motion sickness, anxiety or other factors. Examples of environmental stressors are loud noises such as fireworks and thunder storms, traveling to the veterinarian or groomer's facility, boarding, changes to daily schedule, unexpected visitors, tension, fear, etc.

Recommended Use: The following schedule is recommended for the daily administration of Pala-Tech Calming Extra Petite Soft Chews. Consult with your veterinarian to determine the proper dosage and schedule for each individual animal prescribed this product.

Weight of Pet	Daily Dose
1-14 lbs.	½ chew/day
15 lbs.	1 chew/day
16-30 lbs.	2 chews/day

101560

Administration: Administer Petite Soft Chews free choice orally to the pet as a treat or crumble over the pet's food at mealtime. Pala-Tech Calming Extra Petite Soft Chews is formulated with a proprietary, highly palatable chicken liver flavor to ensure pets readily consume the supplement.
