Every product is supported with our unique 100% Palatability Acceptance guarantee. This guarantee is simple: if a pet does not readily consume a Palatech product, the company will willingly replace the product free of charge. Therefore, there is NO RISK to using a Palatech formulation with dogs, cats or horses…Palatech guarantees the pet owner’s satisfaction.

100% Palatability Acceptance

• Satisfaction guaranteed with each and every Palatech product.
• If you have a patient in your practice that qualifies for this guarantee, please contact our office at 1-888-337-2446 or your authorized Palatech Veterinary Distributor.

Product Ingredients & Manufacturing

Every Palatech product is formulated using the highest quality ingredients at the necessary levels for maximum clinical benefit. All ingredients used in manufacturing are human pharmaceutical or human food grade quality. There are no animal by-products used in the manufacture of our palatable formulations. Each product has been tested to be safe and tightly effective.

Pala-Tech products are manufactured in the United States of America and Canada in FDA-approved, state-of-the-art manufacturing facilities that follow current Good Manufacturing Practices guidelines (cGMP). This ensures batch-to-batch consistency and a single level of quality control during each step of the manufacturing process. The end result is products veterinarians can trust to use routinely with patients in their day-to-day veterinary practice.

Company Mission

Pala-Tech Laboratories mission is to develop innovative, high quality palatable formulations for veterinary practitioners to routinely use for the health care and well being of companion animals. Palatech will only sell our products to licensed veterinarians, the products are animal-specific and dosed with a solid veterinarian-client-patient relationship. The pet’s veterinarian is the most qualified individual to determine what is necessary for the optimum health of the animal.

How to Acquire

Pala-Tech products can be purchased from our authorized Veterinary Distributor partners. For a list of the Distributors in your area, contact our office at 1-888-337-2446 or visit our website at www.palatech.com.

Guarantee void where prohibited by law. Payment obligation of Pala-Tech Laboratories, Inc. shall be limited solely to that which is represented above. Any and all other costs are expressly excluded.
